Biography:

Self-reliance and musical integrity are the two principles to which Dying Fetus have always lived by. Formed in 1991, during the height of the death metal explosion, Dying Fetus have matured into one of the premiere extreme Death Metal / Grindcore acts to emerge from the massive global Metal underground!

The band is recognized worldwide as a prime example of songwriting perfection, combining an innovative mix of technical virtuosity and catchy song structures to create the ultimate blend of Death Metal, Hardcore, and Grind!
